ISTQB Certified Software Tester

I am an ISTQB Foundation Level certified software tester with a solid background in manual, UI/UX, and performance testing. I have practical experience using tools such as Jira, JMeter, and Cypress. My objective is to apply my expertise to ensure software quality while continuing to grow in the field of software testing. I possess a deep understanding of the Software Development Life Cycle (SDLC) and Software Testing Life Cycle (STLC), and I am ready to take on new challenges and contribute to a team.

Certifications

- ISTQB Foundation Level (2024)
- Manual Testing Training 1on1(MindMajix Academy)

Skills:

- **Programming Languages:** Python (Basic), JavaScript (Basic)
- **Automation Tools:** Cypress (Proficient)
- **Manual Testing Tool:** Jira,Slack (Proficient)
- **Performance Testing Tool:** Jmeter (Basic)
- **Software:** Microsoft Word, Excel, PowerPoint (Intermediate)
- **SQL:** Basic knowledge for database testing
- **HTML:** Good knowledge for Website's testing with Cypress
- **CSS:** Beginner

Work Experience

Junior Manual Tester: (Intern Vacuumlabs, Bratislava Feb 2024 – May 2024)

- Conducted manual testing for Vacuumlabs' internal HR application, 'Charles,' focusing on UI/UX testing and defect reporting through Jira.

Self-Practice - Manual Tester:Independent work during free time(September 2024-Present)

- Vacuumlabs Website

During my testing of the Vacuumlabs website, I reported critical defects in the "Apply Now" form, enhancing the user experience for sales applicants. I developed test scenarios for the job application section, identified UI issues, and suggested improvements. Additionally, I used JIRA for bug reporting and JMeter for performance testing to support the development team.

- **Moneyhoon Website**
  I detected UI/UX issues and suggested enhancements to improve the overall user interface. I prepared and submitted a detailed defect report, contributing to the website's quality through thorough testing and feedback.

- **Bainry Website**
  I conducted thorough UI testing to identify defects, discovering a significant issue with text display when switching from Slovak to English. I prepared and submitted a detailed defect report outlining my findings and suggestions for improvement.

Barista (Full-time/Part-time) The Spot, Bratislava May 2023 - June 2024

- Developed valuable communication and multitasking skills while transitioning from full time to part-time to focus on IT career development.

Restaurant Manager Elafonisi Resort, Chania Sep 2019 - Nov 2022

- Managed daily operations, coordinated staff, and resolved customer complaints, ensuring smooth business operations and high service standards.

Personal Skills:
- **Attention to Detail**
- **Adaptability**
- **Team Collaboration**
- **Communication**
- **Analytical Thinking**
- **Time Management**
- **Proactive Approach**
- **Stress Resilience**

Courses & Training:

- **Mindmajix Academy 1-on-1 Course (Completed)**
  Hands-on training covering advanced software testing concepts, including test case creation, defect reporting, and in-depth SDLC and STLC testing methodologies.
- **The Complete 2024 Software Testing Bootcamp (Udemy)**
  Gained skills in creating test cases, test plans, and scenarios. Proficient in bug reporting using Jira and familiar with functional, regression, and performance testing.
- **Manual Software Testing (Udemy)**
  Acquired a thorough understanding of manual software testing and SDLC/STLC processes.
- **Cypress from zero to the cloud (Udemy)**
  Completed a course on Cypress focused on creating fast, reliable automated tests in JavaScript. Developed skills in test setup, web element interaction, and continuous integration with GitHub Actions, establishing a strong foundation in automated GUI testing and test management best practices.

Education

- **Technological University of Crete Sep 2013 - Jul 2018 Degree in Electronic Engineering (Paused)**
- **Technical High School, Koropi Sep 2010 - Jul 2013 Diploma in Electronic Engineering**

Languages

- **Greek:** Native
- **English:** Fluent(B2)
- **Slovak:** Beginner
